Our record for the weekend was 7 wins and 8 losses. Our fellow Rochester team, The Feds, also won the Chairman's award. The Adambots won the Quality Award and we were ranked 87th in the state.

## Kentwood

On April 1st and 2nd, we ended the qualifying matches at Kentwood ranked 12th out of 33 teams. The AdamBots were first to be picked in the alliance selection by the 5th Alliance Captain from team 3546 Buc-n-Gears, and our third partner was 858 the Demons. In the quarterfinals we beat the 4th alliance, in the semifinals we won over the 1st alliance, and in the finals, we were against the 2nd alliance. After some very close matches, some broken robots, new robots joining in and getting red ribboned medals at the end, we had the best weekend! The AdamBots came home with a finalist award!
