First 2 District Competition Review

The Adambots competed at Kettering Week 1 and Standish/Sterling

The Adambots are preparing for their states competition in April (7th and 8th). The presenters, drive team, and engineers are hard at work to improve their current standings.

Thank you all so
much!

alliance made it through the first bracket, but we were eliminated in the semifinals. After Kettering we replaced our entire telescoping arm with a new one that had an extra 4 inches of run. We also added LEDs to indicate distance away from the human player station.

UPCOMING EVENTS:

Qualifying
competitions:

- Kettering Week 1 (DONE)
- Standish/Sterling District Event (DONE)

States: April 7-8th
Worlds

Impact Award Win

Impact Award – At our first comp of the season, Kettering Week 1, we won the Impact award. The Impact award is the most prestigious award in FIRST, given to the team that makes the most measurable impact on their community. The Impact subteam submits two documents that include significant information about our team, such as our outreach and the business plan.

Then we present to the judges the day of competition. We were competing against 4 other teams for the award and through the award, we qualified for states.

WISH LIST:

Our team operates year-round, so we are appreciative of all donations, whether they are monetary or in-kind donations. If you would like to contribute, please contact us at:

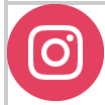

Examples include internships, welding mentors, build space, etc.

Standish/Sterling

On March 16th–18th, The Adambots also did very well at their second competition in Standish/Sterling. There were 39 teams competing at this competition. They placed sixth in the qualifying matches and were the captains of the fifth alliance with a record of 9 wins, 3 losses, and 0 ties. We chose team 2619, The charge, and team 3770, Blitzcreek. We won the semifinals!
